FEES OUTLINED

Music classes have fees to help supply students with instruments to use and music to play. You may qualify for a fee waiver. Ask the main office to check if you are waived from any or all of the music fees. These fees will automatically be added to your student's account.

- \$15 Music Materials Fee - To purchase band book, sheet music, and provide your band student with one free band t-shirt.
\$80 Instrument Rental Fee - To supply your band student with a district owned instrument to use and to take home to practice. This fee does not cover the cost of instrument specific supplies necessary for your instrument. Student is responsible for purchasing supplies such as valve oil or reeds on their own.
Fees can be paid in the main office. Do not turn money into your teacher. You may be eligible for a fee waiver. Contact the main office to see if you qualify.
